

THE COVE

UPDATE

APRIL 19, 2021

COVE FAMILY AND GUESTS:

God is doing amazing things at The Cove Church, even in this continued challenging season of 2021. We truly believe that God is moving in our church, our community, and in the world. The opportunities we have today—in how we can share the love of Jesus, serve our community, and lead people in spiritual growth—are tremendous!

We are challenged, but we are hopeful in all things because Christ lives in us and we have His message of hope to share with the world. Join us as we continue to live out our mission to “Introduce our friends to Jesus, Learn to follow Him, and Celebrate His Presence in our lives.”

OUR PLANS:

As a church, we have prepared our staff and volunteers in a “touch-less” service experience. We are committed to the safety of the church community and to the public. We have been researching the safest way to host services in-person. *See section below, “Covid Precautions – Why The Masks” for more info on our safety measures.

We are continuing to choose safety and put the health of our church community first. Therefore, we ask every attendee to wear a mask while inside our buildings. We understand that many of you are not ready for in-person services, and that is okay. Our Online Campus is still our primary way of reaching people and discipling our church.

We are back and have been meeting in-person at all of our physical locations since September 2020. Registration for a service is not required to attend. Please see the section below regarding Cove Kids services. We hope to see you this weekend at a campus near you.

Denver Campus: Sunday at 9:30 & 11:15 am

Mooresville Campus: NEW SATURDAY SERVICE TIME BEGINNING APRIL 24, 2021

Saturday at 5:00 pm | Sunday at 9:30 & 11:15 am

COVID PRECAUTIONS – WHY THE MASKS:

When we bring hundreds of people together, we are creating a high-risk environment. Covid-19 is spread by aerosols that are breathed into the air. Singing creates even more risk. You can have Covid-19 and be asymptomatic. Which means that you may not feel sick but could spread it to others unknowingly and unintentionally.

The mask you are wearing is more about protecting others than it is about protecting yourself. By wearing the mask, you are helping to reduce the aerosols in our auditorium spaces.

But every week people choose not to worship with us because they see so many people not wearing masks in our services. We want to reach everyone with the Good News of Jesus Christ. So, while you may not be afraid of catching COVID-19, please help us reach others for Christ.

Other Precautions:

- Our chairs are spaced at 6-8ft apart.
- Placards are placed on the chair between you and other guests to provide social distance.
- Our standard is disinfecting chairs in the auditorium, bathrooms and hard surfaces after each service.
- Airflow is important, so we keep our auditorium doors open to provide fresh air. And our air conditioning system is set at 40% fresh air intake.

We are doing everything that we can to create a safe space for worship in a potentially dangerous situation. And we are praying and trusting God to protect us all. As we trust God to protect us, keep in mind that many people who visit with us are not yet believers and they are not trusting God to protect themselves. Thank you for joining us in protecting others and sharing the Good News!
