

# Called 2Care

## STEPS TO A GREAT DONATION

Called 2 Care is a unique solution that lets us, as a church, respond to specific needs in our area. We work alongside local Department of Social Services staff to provide needed items for individual kids and families.

### Step 1

Check the CarePortal for Current Needs  
[www.covechurch.org/called2care](http://www.covechurch.org/called2care)

Since Called 2 Care is centered around specific help for individual families, please check the CarePortal for current needs before you donate.

### Step 2

Prepare Your Items

**Clothing:** In-season clothes with no holes, rips or stains. Gently used items are welcomed, but please wash and dry them first. Make sure your donations are free from any animal hair or smoke. Unfortunately, we can't accept all items (like used underwear).

Help speed up the sorting process by grouping any clothes by gender and size in separate bags. We serve kids up to age 18, so in-style clothing for all ages is needed.

### Step 3

Deliver your Donations!

**CarePortal Requests and Clothing:** Items can be donated at the Called 2 Care trailer, during all weekend services, at the Mooresville Campus, 197 Langtree Rd. You can also bring items to any campus location during the weekly services.

**Beds:** If you have a twin, full or queen-size bed (both mattress and boxsprings), please call Sweet Dreams directly at 704 -799-0048 to arrange drop-off.

**Furniture:** Gently used furniture in great condition can be donated directly to Beds 4 Kids in Lake Norman (980-422-1192) and Special Treasures in Statesville (704-873-7015).
