

Tonight, we continued our series titled Drive-Thru Jesus by talking about the necessity of stillness. We live in a world that praises business and that presents quiet stillness as something to avoid at all cost.

In the message we talked about how the busier we are, the quicker we forget about God. Below are some scriptures and questions you can use to continue the conversation with your child.

Be still, and know that I am God! Psalms 46:10 NLT

**Be still in the presence of the Lord, and wait patiently for him to act.
Psalms 37:7 NLT**

What did you think about the service and your small group tonight?

What gets in the way of you being able to connect with God?
