

Greater Things

Week 2 – Faith Study Guide

Greater things are coming in 2017! One of the things that we are focusing on as we start the year is how to have greater faith. Faith can be a feeling, but it also involves action. In 2017 we are going to develop greater faith, the ability to believe God for those breakthroughs, answered prayers, and life change.

1. Who can you go to in your life if you have a question about anything?

“...whoever believes in me will also do the works I do,
and greater works than these...”
- John 14:12 (ESV)

2. **Read John 14:12.** What would your life look like if you did the same “works” Jesus did? According to this verse, how do we begin to accomplish this?
3. **Read John 14:13-14.** After believing in Jesus, what is the next step Jesus lays out for us to grow our faith and accomplish greater things? What are a few different ways that step might look like?

“You ask and do not receive, because you ask wrongly, to
spend it on your passions.”
- James 4:3 (ESV)

4. **Read James 4:2-3.** We learned from the message this weekend that “God provides for our needs not our greeds.” According to this verse, what is something that keeps us from getting what we ask for? How would God’s desires compare with your own right now?

5. We also learned this weekend that we need to ask CONSISTENTLY and have PERSEVERANCE. Consistency is about the interval (every hour, every morning, every day, every week, etc....). Perseverance is about the duration (days, weeks, months, years...). Discuss what you and your group can ask for and how to keep up those two traits. Then watch as God grows your faith!
