## Part 2 – Experience: Purpose Study Guide

---

When you think about all the great movements in the past, you can still feel the impact and change they made today. However, in order to start a movement, there needs to be one person bold enough to step out even at the risk of looking foolish. In this week's study, we will take a look at the movement Jesus started that continues today. This movement is about serving others in order to demonstrate the love that God has for them.

1. During the first week of our Experience series we were encouraged to go share the Bread of Life story along with a Cinnabon with someone else. If you did this, what was your experience like? Was it difficult or easy for you?

“...even as the Son of Man came not to be served but to serve, and to give his life as a ransom for many.” Matthew 20:28 (ESV)

2. **Read John 13:1-11.** Why were the disciples, especially Peter, so confused by Jesus washing their feet? What was Jesus trying to demonstrate to them?
3. **Read Philippians 2:1-8.** We love like God when we serve others with humility. Why is it possible to serve for the wrong reasons and without humility? Why does it take humility to serve others in areas we don't want to?
